# AdviCorp Plc

Established in 1997 in London, AdviCorp is an independent investment banking firm operating in the areas of Corporate Finance and Mergers and Acquisitions. AdviCorp PLC is based in London and Rome and is authorised and regulated by the Financial Conduct Authority.

**AdviCorp has a significant record in corporate and fund management, exceeding \$10 billion USD. This indicates substantial success and scale in managing corporate assets and funds.**

## Management

- Touchstone has built project portfolios exceeding \$100 billion. They have appointed two primary fund managers to supervise TMGP Capital SPC, a Cayman segregated portfolios fund, which collaborates with leading global fund managers. Together, they oversee investments from inception to completion, ensuring a comprehensive and expert approach throughout the process.
- Touchstone strategically collaborates with China Wuhuan Group, serving as a platform for various portfolio projects. China Wuhuan Group acts as a project manager on the Touchstone platform, coordinating with Chinese State-Owned Enterprises (SOEs) and global industry leaders to implement projects comprehensively from start to finish.

## Touchstone Note Programme

Touchstone strategically collaborates with Red Ribbon Asset Management Limited, a regulated entity in the UK, to structure listed notes in Luxembourg. These notes are listed on Euroclear and the stock exchange, providing investment opportunities and accessibility for investors. Additionally, Red Ribbon serves as the fund manager for a Cayman fund in a specific market, further enhancing their role in investment management.
