

Mr. Luca is a highly successful entrepreneur and the main shareholder of a prominent energy group in Switzerland. His professional engagements include partnerships with a merchant bank and collaboration with UAE funds and family offices such as Burkhan Capitals and BGCR. His extensive experience includes serving as a board member at Prominvest Bank in Ukraine and BMG Capital Group, a boutique bank in Saudi Arabia.

In addition to his board positions, Mr. Luca is an advisor to Julius Baer Bank in Switzerland and various funds. He maintains a consistent presence at the World Economic Forum (WEF) and actively works on energy projects and finance initiatives in the MENA region.

Beyond his business endeavors, Mr. Luca is a philanthropist with a focus on environmental causes. He is the founder of the Uganda foundation "Green for Life" and holds an advisory position at Taps Foundation. In 2021, he joined Touchstone Capital Partners (TCP) as a board member, contributing his expertise to the organization. Notably, Mr. Luca continues to serve as an advisor to Taps Foundation while holding a position on the TCP platform since 2021.
